All gifts are tax deductible to the full extent allowed by law. Contributions are solicited with the understanding that MARC has complete control over the use of all designated funds. Consistent with our reputation of 46-years of ministry service, MARC's desire is to maximize our impact throughout remote Alaska with the hope of Jesus Christ. As such, our board-approved policy is that all gifts designated for a specific project will be applied to that project, with only a small percentage used for administrative and fundraising expenses. Your donation will go where it is needed most, unless you specify a particular location for it to be used. MARC makes every effort to honor your designation; however MARC reserves the right to apply funds to another purpose if in the sole judgment of MARC's Board of Directors, the original designation becomes, in effect unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served. If we receive more contributions for a given project or need than can be wisely applied to that project, we will use these funds to meet a similar pressing need. MARC files annual reports with the Internal Revenue Service and is periodically audited by an independent public accounting firm.
